Application for Ellenville Million Grant Matching Program

Ulster County Executive Mike Hein envisioned the Ellenville Million program as a way to help jumpstart economic development in the Ellenville/Wawarsing area. Based on this goal, a portion of the Ellenville Million fund has been set aside to assist organizations in the Ellenville/Wawarsing area to access grant funds from public and private sources.

The Grant Matching Program was established in July 2017, as part of the reallocation of the original Ellenville Million program funds authorized by the Ulster County Legislature. In order to identify potential recipients of these funds, the Ulster County Economic Development Alliance (UCEDA) is issuing a call for applications that seek to advance economic development in the Town of Wawarsing and the Village of Ellenville.
