MESSAGE ON THE 2013 EXECUTIVE BUDGET PERSONNEL LISTING

The 2013 Executive Personnel Listing document has been updated to better achieve County Executive Hein's goal of increasing transparency. Summary information has been added to aid in the understanding of the County's total costs related to personnel including, payroll and employee benefits.

The detailed information is organized by department number in order of fund. The County's full time employees have been included in Regular Pay budget lines and are listed in the Personnel Listing document. The County's benefited part time employees are also listed in this document, while non-benefited employees are not listed specifically by name. All part time employees, whether benefited or not, have been moved to Part Time Pay budget lines.

Additionally, summaries of the number of the County's full time positions by title for each department have been added to give the reader a better understanding of the composition of the County's workforce.

Finally, it should be noted that the Enterprise Fund's (Golden Hill Health Care Center's) presentation varies from the rest of the Personnel Listing due to differences in New York State's required financial reporting and staffing.
